CFA Program

CFA Program is a globally recognized, graduate level curriculum that provides a strong foundation of real-world investment analysis and portfolio management skills along with professional conduct requirements.

The CFA® Program has three different levels and the minimum time required to clear all the three is around 2.5 years. The CFA® curriculum equips the successful candidates with the most required skills in the global finance industry.

To become a CFA Charter:

- 1) Clear all 3 levels conducted by CFA institute
- 2) Relevant experience in the finance industry for atleast 48 months

Level I CFA

- The Level I exams include 240 total multiple choice questions.
- 120 on the morning session (09:00 to 12:00) of the exam and 120 on the afternoon session (14:00 to 17:00).
- Each multiple choice question is free-standing (not dependent on other questions) and has three possible answers: A, B, and C.
- All questions are equally weighted and there is no penalty for guessing.
- The exam is offered twice a year in June and December.
